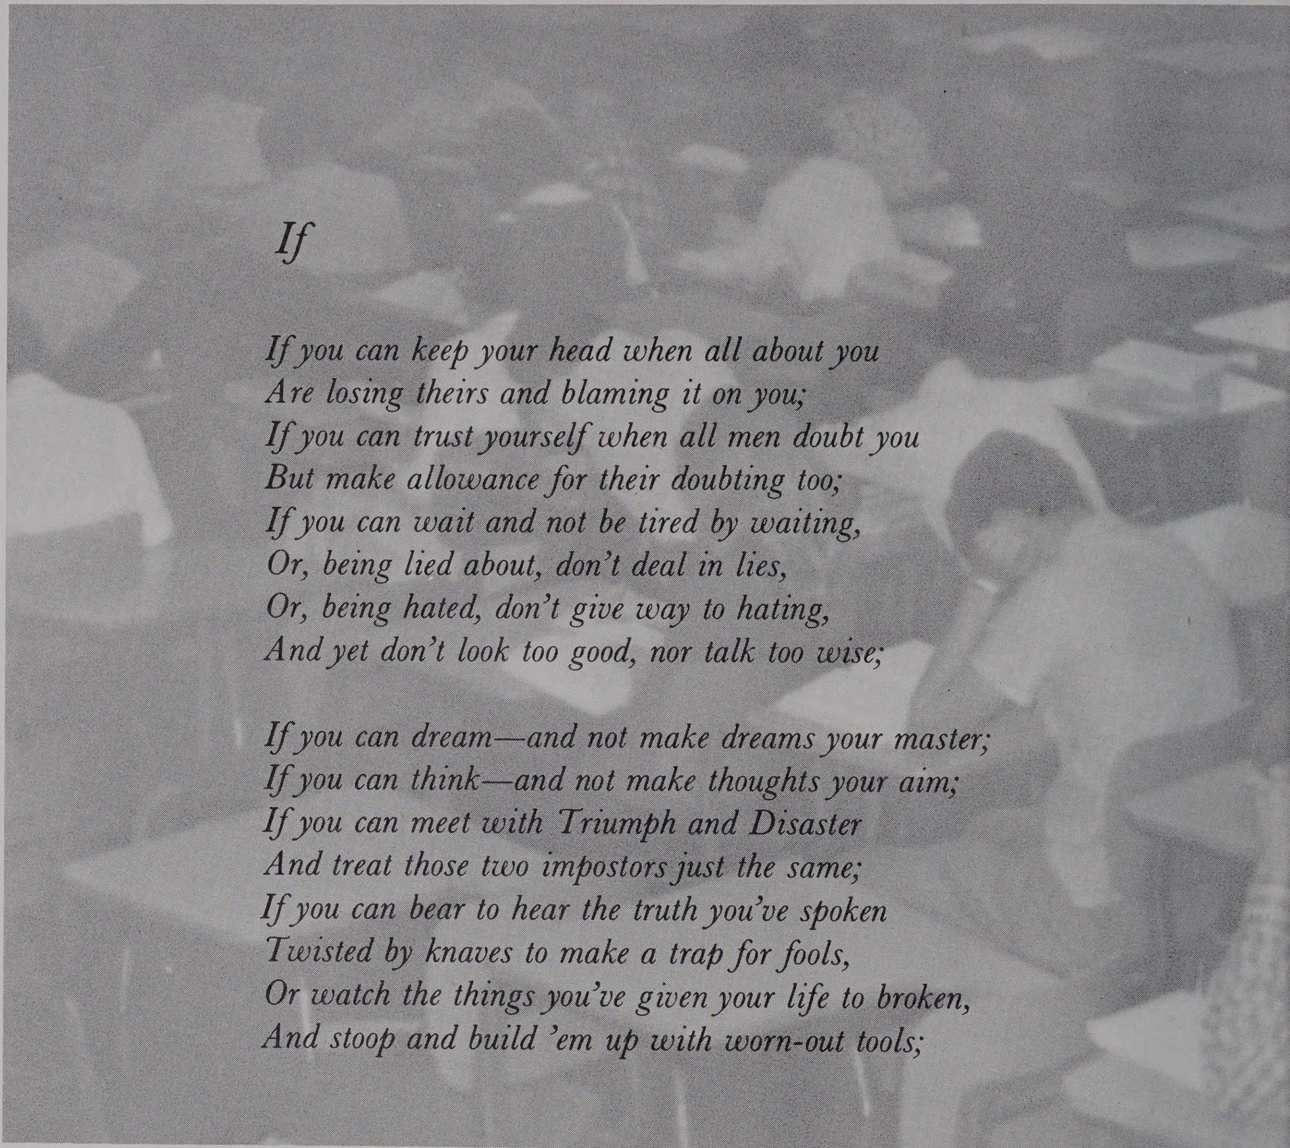
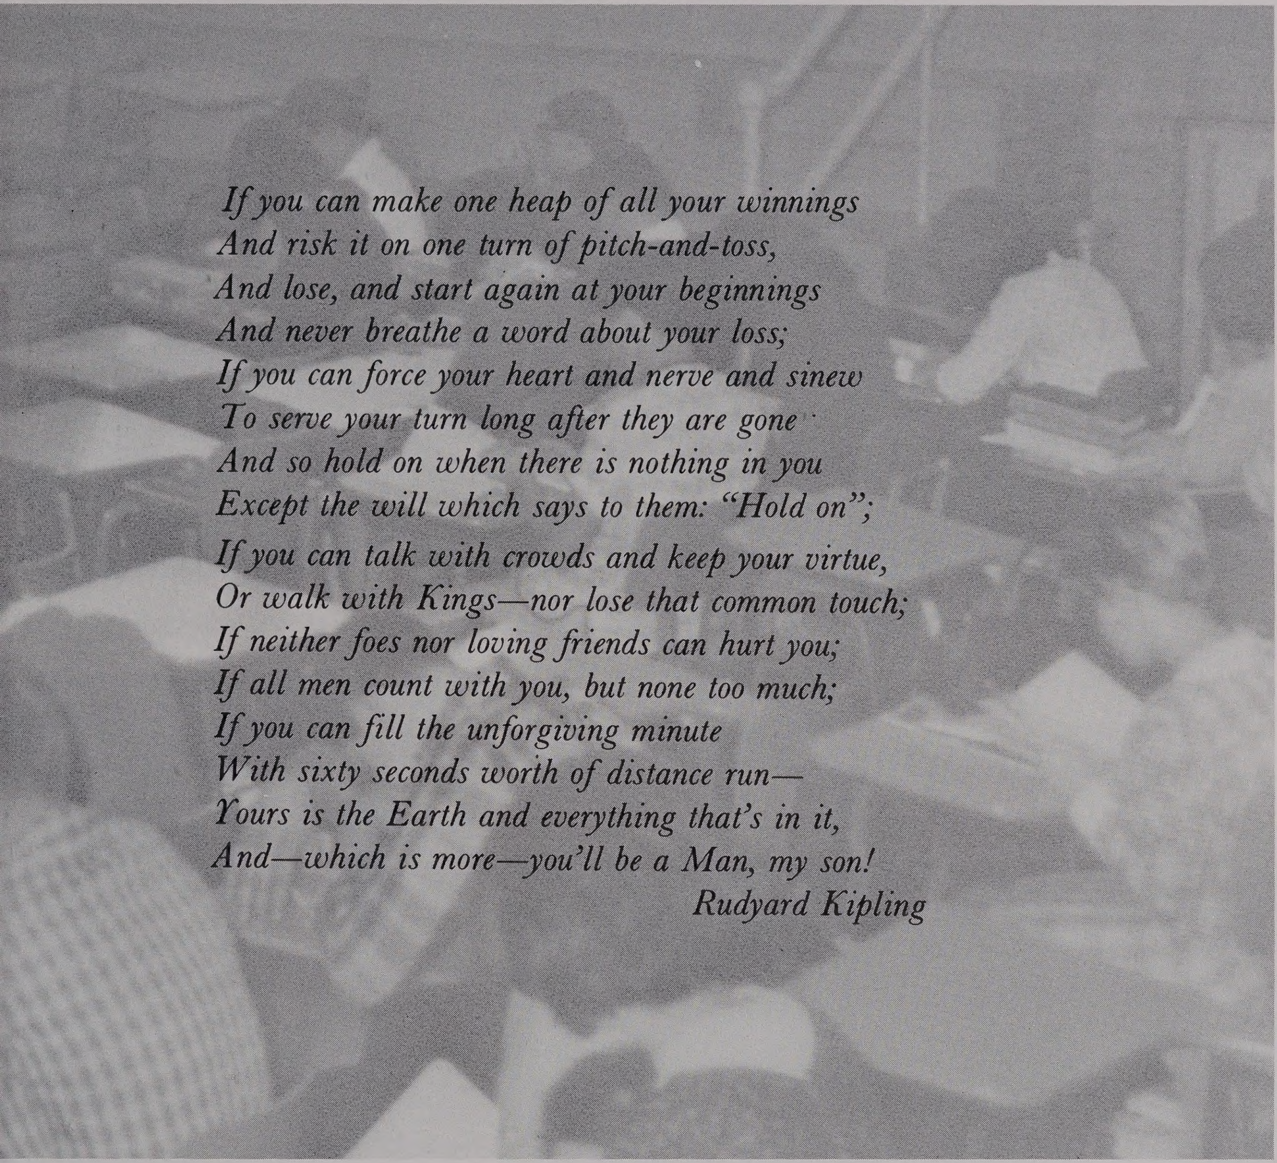
"Yours Is the Earth"
Volume X June, 1967



If

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or, being hated, don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you've given your life to broken,
And stoop and build 'em up with worn-out tools;



If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone
And so hold on when there is nothing in you
Except the will which says to them: "Hold on";
If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose that common touch;
If neither foes nor loving friends can hurt you;
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds worth of distance run—
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

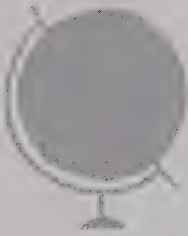
Juniors nickname one American history class, "Armstrong Circle Theater," because Mr. Armstrong brings history alive with a vast supply of audio-visual aids.

Mr. Gimbel, also athletic director, plans our sports events.

"Geography is a vital part of American history," says Mr. Christy.



The Fine Arts Department not only conducts classes in band, vocal music, and art, but gives students more opportunities to display their talents through county and state competitions. It also exposes the whole student body to good music through music assemblies.

The choices range from a college preparatory course to practical English.

The Language Department includes French, German, and Latin. Language clubs and other activities such as German Day supplement these courses.

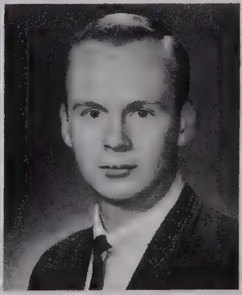
For the students who are not going on to college, Brunswick offers a fine vocational training program. Typing, shorthand and other business courses prepare the student for jobs or advanced training.

For those girls handy with a sewing machine and a bowl and spoon, a home economics program gives them a good background. There are also many extra projects within the school that offer practical ways to use their skills.

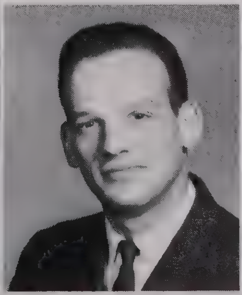
The boys handy with their hands are given the chance to take wood shop, metal shop, and mechanical drawing.

Mrs. Marion Gager--
Home Economics

Miss Rosalyn Callahan--
Home Economics



Mr. Donald Kubinski--
Mechanical Drawing



Mr. Keith Riedel--

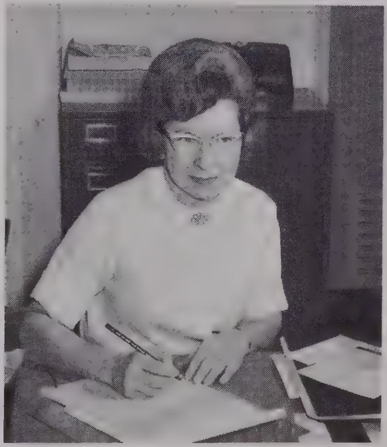
Guidance Counselor

Students who have problems with selecting their school courses turn to the guidance counselors. They are also there to counsel students as to what jobs are available or what college or training school should be attended after graduation. The counseling offices are open to any student who wishes to talk to either counselor.

Miss Lee Marra--
Guidance Counselor

Mrs. Deanna Wentz--
Office Secretary

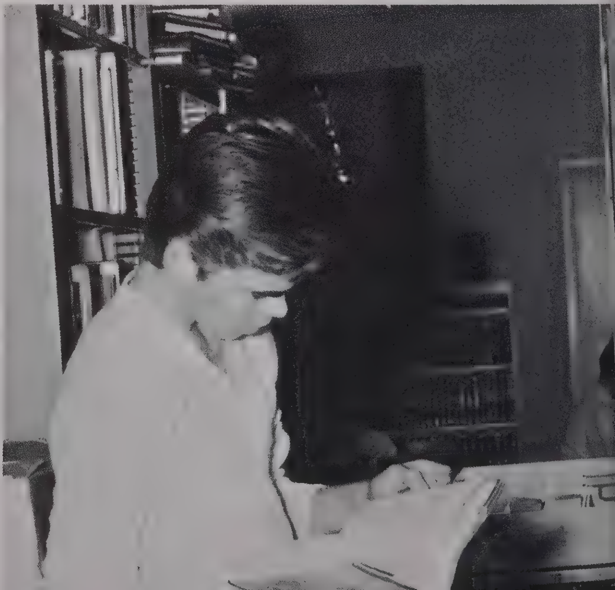


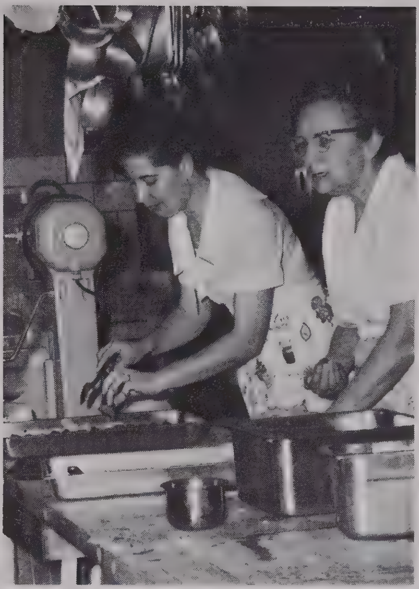
Mrs. Ethel Johnson--
Office Secretary

The office secretaries not only aid the faculty and administration but help the student body with many of their problems. Most questions which students bring to the office are answered by one of the secretaries quickly and enable the principal and assistant principal to attend to other matters.

Miss MaryLou
Brunskill--
Librarian

One of the places all students frequent at least once during the school year is the library. It is here that all reference materials are kept, and student librarians gain useful experience. Students can take their questions not only to the librarian, but also to the library secretary, Mrs. Ruth Moritz.





To the cooks the student body offers a debt of thanks for the hot lunches they prepare. Besides cooking meals every day they assist at banquets held in the school cafeteria and help plan the menus.

Many students would not make it to school if it were not for the school bus drivers. They perform their duties during regular school opening and closing hours, and on field trips undertaken by classes within the school.

This year is a sad one for Brunswick High School. Mr. George Kalnofske has retired as janitor after ten years of faithful service to the school. The student body and faculty wish him all the best.

The other janitors who help keep the school running smoothly are Larry Meeks, Bob Heazlit, and Tom Brown.

ACTIVITIES

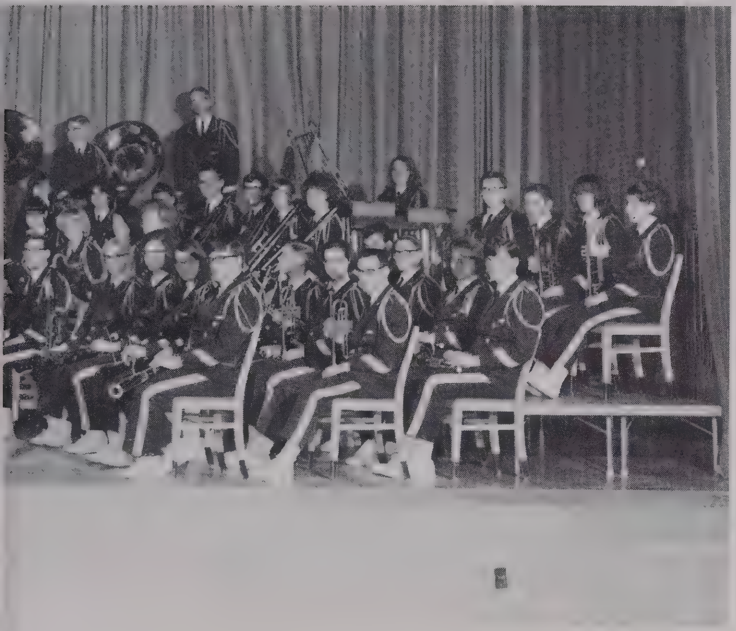
This year's high school concert and marching band of 93 members spent extra hours in preparation of a season of entertainment in music. The two weeks previous to the opening of school were spent in practicing marching formations, the highlight of the marching season being Band-O-Rama where schools from the surrounding areas perform.

The Christmas concert opened the concert season and was followed by a pop concert, festival of bands, spring concert, and participation in the Memorial Day parade.

A first this year for band members was the presentation of ribbons for participation in the various areas connected with instrumental music.

The majorettes are head majorette Ellen Yonovitz, Eileen Kustis, and Collene Emling.

Ribbons Are Honor Members Band.



The band practices many hours in preparation of half time shows for football season.

To Present an Assembly to Future Students for Language Day

Jim Kubu, the man on the street, has a rough time as he tries to interview Joe Pope, the drunken cowboy, in a skit given by the second year German class.

One day in the school year is set aside for language appreciation. This year on Language Day the bulletin boards were decorated with scenes and information on France and Germany, and different areas of the school had been labeled with the appropriate words in German and French. An assembly was held by present language students to give future students a look into the language and country they will be studying.

Commercials were presented as they would appear in Germany and France, the Alma Mater was read in these other languages and a French folk dance and German song were performed. The program was ended by a speech on the values of knowing a foreign language.

Publishing the school newspaper is the task of the journalism class. In addition to class hours, students often work after school to be able to distribute the DEVILIER every two weeks. The staff is supplemented by volunteer typists and ad salesmen.

Brunswick Accepted into Quill and Scroll

The International Quill and Scroll, an honorary society for high school journalists, made the scene for the first time at Brunswick this year. The society was founded on April 10, 1926 by a group of high school advisors for the purpose of encouraging and rewarding individual achievements in journalism and allied fields. To become eligible for membership one must be at least a junior or senior, in the upper third of his class, a member of the yearbook or newspaper staff, and must have done superior work in his particular phase of journalism. The first induction ceremony of the Charles Schulz Chapter of the Quill and Scroll Society was held on January 30, 1967 at which time 19 members were initiated. The induction ceremony performed by advisors Mrs. LeMasters and Miss Olson was ended solemnly and beautifully by the lighting of candles signifying the vows to journalism and the presentation of pins to the new members.

New members and their parents were served refreshments after the induction.

New members of Quill and Scroll were congratulated by Miss Olson, Mr. Hawley, principal, and Mrs. LeMasters at the induction ceremony.

Student Council members are FIRST ROW: Gayle Horstman, Charlene Chester, Donna Fields, Julie Banevich, Carol Wearsch, Jackie Kubu, Joyce Stachowski, Charlotte Gerk. Student Council—an Active Part of School Life

Student Council officers are secretary Bev Krupla, vice-president Howard Cook, president John Gibel, treasurer Mary Ann Lulas.

This year, besides the usual duties of representing fellow students, the Student Council undertook many other responsibilities. Various activities sponsored by the council were the sale of sweat-shirts and pennants, a sweetheart dance to raise money for the Heart Fund, and Twirp Week. The major project for the year was the adoption of an underprivileged boy named Levi. Student Council, representing Brunswick High School, provides funds to clothe, feed, and send him to school. This project will be carried on by future Student Councils.

Student Council Sponsors Dance, Twirp Week, and Other Activities

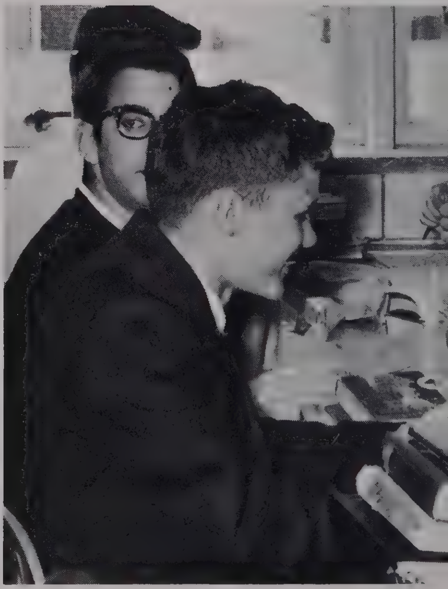
One of the Student Council's many projects for the year was the sale of Blue Devil sweatshirts and pennants.

Student Council held a semi-formal Sweetheart Dance in the high school gym on March 25, 1967, to raise money for the Heart Fund. A queen was elected the week before with each student voting for his choice by placing his contribution in the jar belonging to that candidate. From left to right are queen Bev Vasil, and runners-up Bonnie Chapman, Linda Scott, Janet Wille, and Bev Krupla.

Twirp Week Initiated by Student Council at B.H.S.

On Monday, May 1, Twirp Week was officially started with dress down day and a dance directly after school. Bermuda shorts and cut-offs were seen in all classes, as well as crazy hats and shoes. The dance, also, was informal with students permitted to come in their dress down clothes.

A common sight on



While performing their tasks on girl's slave day, most girls were secretly thinking of ways to get even when the guys turn came.

The "Mamas and Papas" and the "Temptations" were features at the Beat-up show.

During Twirp Week, a program to increase school spirit, the schedule was:

Monday--Dress down (dance)
Tuesday--Slave day (girls)
Wednesday--Dress up
Thursday--Slave day (boys)
Friday--Beat-up show.

On Thursday, the guys could be seen doing little things for the girls, as their slaves.

dress up day was suits and ties.

The game footballl is presented to co-captains Paul Moore and Jim Hayas before the Homecoming game against Wadsworth on Friday, October 21.

QUEEN DIANE

Queen Diane reigns at the Homecoming Dance held Saturday, October 22.

The queen and her court dance to the music of the Journeymen.

The climax of a brisk but exciting evening of football was the stately and beautiful Homecoming Dance held on October 22, 1966. Lovely Queen Diane Raisovich and her court added much splendor to the gala event, with the Journeymen providing the music.

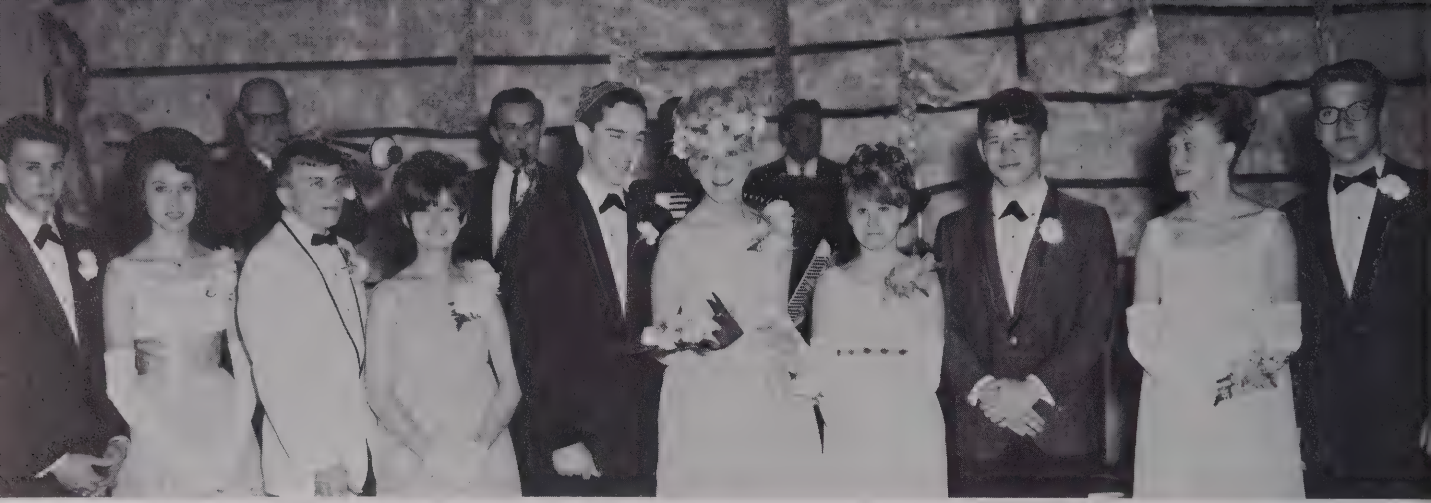
Senior Diane Raisovich is crowned Homecoming Queen by football co-captain Paul Moore.

SEATED from left to right are: Bonnie Robinson, sophomore attendant; Janet Wille and Melody Winkler, senior attendants; Diane Raisovich, Queen; Bev Krupla and Sandy Toler, senior attendants; and Sue Sloan, junior attendant.



Queen Karen Chapman and King Joe Pope (CENTER) reigned over the festivities with their court consisting of Mitch Podsiadlo, Jane Wheatley, Fred Benco, Julie Banevich, Karen and Joe, Retagene Alinen, Tom Warholic, Carolyn Carraway, and Jim Love.

Prom and Cotillion Are

The arrival of spring was highlighted by two beautiful formal affairs, the prom and cotillion.

The 1966-67 annual Junior-Senior Prom was held on April 22, 1967, in the high school gymnasium. The theme was "Fantasyland" and the gym was decorated accordingly with angel hair and castles amid multi-colored luminations.

The ninth annual Spring Charity Ball was held at Chippewa Lake Ballroom on May 13, 1967, with six Brunswick senior girls making their debut into society. A Spanish theme dominated the event with decorations in red, gold, and black and beautiful chandeliers adding the finishing touches to the gala event.

Spring Formal Events

The six senior girls participating in cotillion from Brunswick High School were Cynthia League, Sandra Haeberle, Kathleen Kerwin, Rosemarie Skrletts, Eileen Kustis, and Louise Oches.

Long hours of practice and vigorous yelling at major athletic events is not all the cheerleaders did. For the first time they attended a clinic to improve their leading abilities. They also sponsored dances after the games and sold booster badges during football season to help buy pom-pons and other equipment.

The J.V. cheering squad is a vital part of any school's athletic program. Besides attending the regular games, they cheered every Saturday morning for the J.V. football team. They, too, helped sponsor dances and sold booster badges to buy much-needed equipment.

The Pep Club and the Pep Band are a vital part of our school spirit. Pep Club, headed by president Karen Chapman and vice-president Bonnie Chapman, initiated a new program this year. For the first time a float was built for Homecoming and booster badges and signs were made to promote spirit among the student body. Other pictures depict student efforts to promote enthusiasm among their fellow classmates.

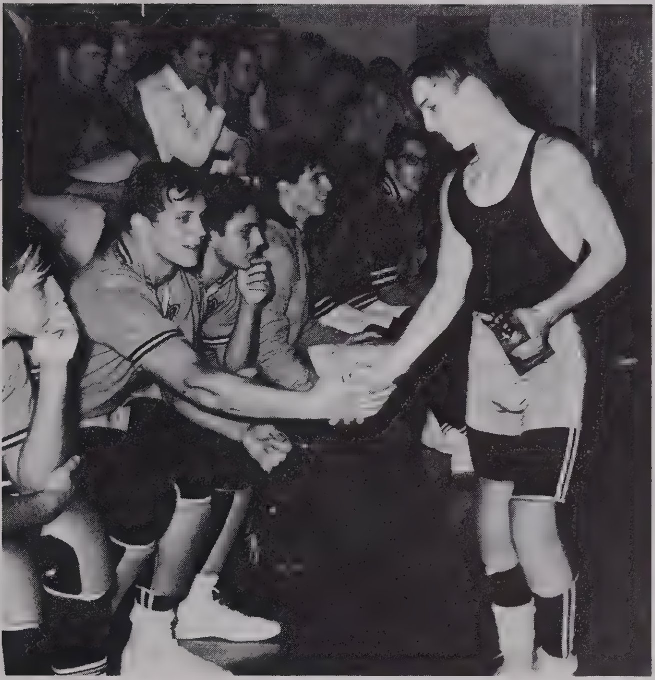
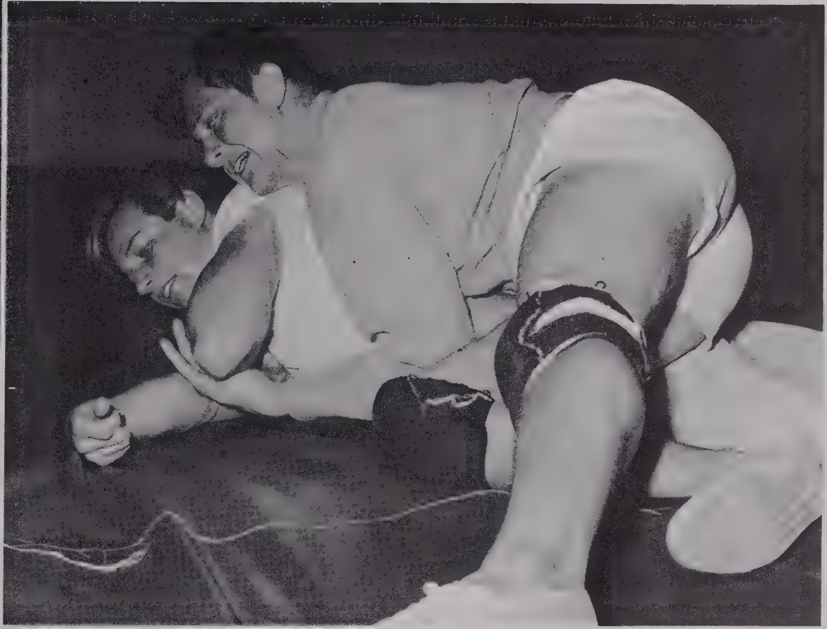
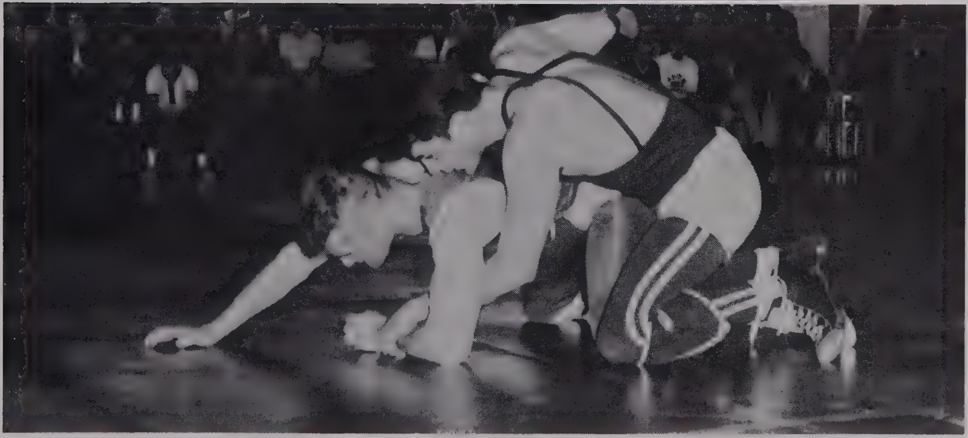
Work, drive, and desire paid off for the Brunswick grapplers with such titles as Medina County Champs. Certain individuals excelled in their weight classes as can be exemplified by Bill Plues (BELOW) who fought his way to the State.

Medina County Champ Steve Cika will agree, victory is worth it all.



Limbering up before a match is vitally important.





Practices are long, hard, and tiring but our grapplers are always on top.

Team members are Rick Raabe, Ted Pasko, Ray Fenner, Jim Montali, Mark Maxwell, Bob Harris, Bob Peden, and Forrest Smith.

This year's tolf team won twelve matches and lost four. The team took the Chippewa Conference Championship for the fourth year in a row. Coach Gimble said, "No other school has ever won, except us." It also placed fifth in the district. Mr. Dennis Erich was the assistant coach.

The girls of Brunswick have many varied activities to keep them busy. Two of the most outstanding are the girl's basketball team and gymleaders. Co-Captains of the basketball team (left) are Diane Raisovich and Jeannette Henderson. They lead the girls in some fast rugged games as the pictures here will indicate. Gym leaders assist the teacher in routine class work and in demonstrating the various activities to be played. The one main requirement to become a gymleader is that you have a keen interest in physical education and that you be willing to give up studyhalls to participate in the program. Monthly meetings were held to work out all techniques to be used in class. The officers for the club were: Advisor, Miss Fink, President, Diane Raisovich, Vice-President, Sandy Toler and secretary-treasurer, Bonnie Chapman.

Gym Leaders are FIRST ROW: Judy Wallace, Donna Jockish, Sandy Huffman, Charlotte Gerk, Joyce Archer, and Tammy Blahnik; SECOND ROW: Karen Orr, Georgene Kaspar, Rita Bogdan, Kathy Carlson, Janie Wheately and Diane Maxwell.
